OUR COMMITMENT

To Those Who Donate

We promise professionalism providing the best flowers we have to offer with our unconditional gratitude. Thank you.

To the Floral Industry

We will do our utmost to maintain a two-block distance from all floral shops. As we promote our Office Outreach Program, we promise never to compete with any floral shops or floral vendors' who have existing contracts within the business community. We encourage and thank you for alerting us to any clients who may not respect this commitment.

The great news: our studies so far show one in 15 people will stop to support one of our clients. This means all other motorists or pedestrians are now thinking flowers; and this can only serve to promote the flower industry while improving the lives of those in need.

Respectfully,

Marrett Green
